**ORDER DIRECTING DEFENDANT TO
FILE TABLE OF CONTENTS FOR
ADMINISTRATIVE RECORD, AND TO
REFILE A LEGIBLE VERSION OF
REPORT (AR 3586-642)**

19 Defendant has filed the administrative record under seal. Dkt. Nos. 50-60. It contains
20 3,929 pages of documents, but no table of contents. *See* Dkt. Nos. 50-59. The hereby **ORDERS**
21 Defendant to file a table of contents for all documents¹ contained in the administrative record by
22 March 28, 2017. For each document, the table should include, at a minimum, the following
elements: (1) a concise and reasonably specific description, (2) the date, and (3) a pin citation to
the administrative record (i.e., “AR __”).

23 In addition, the Court has found at least one document in the administrative record that is
24 largely illegible. If Defendant has a more legible version of the social media monitoring report
25 dated September 8, 2014 and filed at AR 3586-642, the Court **DIRECTS** Defendant to file it by
26 March 28, 2017, marked with same “AR” page numbers as the original filing.

27
IT IS SO ORDERED.

28 Dated: 3/24/2017

25 HAYWOOD S. GILLIAM, JR.
26 United States District Judge
